Hydrazzo Black Maui

Hydrazzo is the first polished finish in the industry, and it has set the gold standard in pool finish innovation. A silky smooth polished texture, combined with the proven durability of exposed aggregates are prime features of this state-of-the-art pool finish. With unique color selections and natural variegated appearance, **Hydrazzo** complements all poolscape designs. This polished pool surface creates a finish this is naturally resistant to spot etching, topical stains, permanent scale and algae adhesion.

The most beautiful pools in the world are surfaced with the hand-polished magic of Hydrazzo. It is the smoothest, richest and most luxurious surface available, formulated from time-proven technology and the earth's finest raw materials.

Hydrazzo combines naturally beautiful coarse graded crystalline and colored marbles, along with white Portland cement and a host of other performance-enhancing ingredients. The result is the ultimate pool surface coating.

- Proven Durability • Rich in Color Options • Lower Maintenance • Proven Natural Ingredients
- Smoothest Exposed Aggregate Available • Resists Permanent Scale & Algae Adhesion

Actual Aquavations finish and water color may differ from digitally photographed and reproduced samples. CL Industries strongly recommends viewing actual swimming pools in person before deciding on a color.
